

MRS. RYAN, NOTED PHILANTHROPIST, DIES IN NORTH

Mrs. Thomas F. Ryan, formerly of Washington and noted for her extensive philanthropies, died at her country home near Suffer, N. Y., early this morning of heart disease. She has been ill two weeks.

Mrs. Ryan was the wife of the noted capitalist and financier. She has given more than \$500,000 to the Roman Catholic Church, of which she was a devout member.

As a philanthropist her work has been far-reaching. She built more churches and missions for the worship of God than any other person, it is said.

Mrs. Ryan did much charitable and church work in Washington. She was the donor of Ryan Hall to Georgetown University. The convent and chapel of the Perpetual Adoration is another gift of Mrs. Ryan. She established this order in the United States in 1905. In this convent there are five nuns who devote themselves to prayer. Every hour of the night and day some one is kneeling in prayer before the altar. The chapel cost \$200,000. Under the altar there is a crypt, where her body may be interred.

Aided Hospital.
Mrs. Ryan also endowed two rooms at St. Elizabeth's Hospital.

She received decorations from Pope Leo XIII and Pope Pius X. She was a member of the Roman Society. "For Church and State," Mrs. Ryan also enjoyed the privilege of a chapel in her private car, which honor has been extended to only one other person, the Queen of Spain.

Before her marriage, Mrs. Ryan was Ida M. Barry, of Baltimore, Md. Thomas F. Ryan was a 32nd degree Freemason in his father's dry goods store. After several years John E. Barry, her father, procured a position in New York for the energetic and ambitious young man. He made good and returned, marrying Miss Barry, November 8, 1873.

Death a Shock.
News of her death came as a distinct shock to Washington. At noon yesterday, on advice of her physicians, she took to her bed. She was conscious up to the time of her death. Her husband and son, Allen, were at her bedside when the end came.

Complexion Blemishes Banished—Every Sign of Wrinkles Gone

Pretty French Woman Gives Her Beauty Recipe

Only a woman who has watched her complexion change from wrinkled, coarse, sallow ugliness to clear, soft, youthful beauty can realize the feeling of joy that came over me when first I saw that my own complexion was actually regaining its girlish freshness. Translation of Original French Prescription "Apply night and morning one cup of clear, warm water and one teaspoonful of rosewater cream." (Fully explained in this article.)

—A very fine complexion powder prepared especially for shiny noses and bad complexions. If your face is badly wrinkled, get a box of Japanese Ice Pencils, to use in connection with the rosewater cream, and you should get quick action on even the deepest wrinkles. I have seen many a wrinkled, hollow-cheeked, faded-looking woman banish every sign of wrinkles and complexion blemishes, and marvelously increase her beauty, through this simple and inexpensive recipe.

The manufacturers of the genuine rosewater cream—Crema Tokalen Reconstituted—guarantee that it will banish complexion blemishes and make any woman look years younger and far more beautiful in three days' time or will refund the price paid. When shown the above article, the following local merchants state that despite the war, they could supply Crema Tokalen Reconstituted and the other French created products mentioned.
